www.thenightrun.org

May 9, 2015 – Tempe Center for the Arts/Town Lake

Minimum team size: 5 participants in the 5K and/or 8K (combined is ok).
Winners will be announced post-race, no later than Monday night May 11.
1st, 2nd, and 3rd place awards for each of the three categories below:

FASTEST TEAM:

- The team's top 5 timed finishers in their respective age/gender divisions will be combined for that team's score (each of the top 5 finishers gets a point for his/her place in age/gender group). Example: a finisher who places 2nd in his or her age/gender group gets 2 points.
- The team with the lowest point total wins.
- Example: A team has 7 members, the top 5 of which finished **1st** in the 55-59 female age group in the 5K, **10th** in the 70-74 male in the 8K, **25th** in the 30-34 male in the 5K, **40th** in the 30-34 female in the 5K, and **3rd** in the 11-14 male in the 8K. Team score: **79**.
- Tiebreaker: division place of tied teams' next non-scoring runner.
- Un-timed participants (5K fun run) are not counted in this category.

LARGEST TEAM:

- The team with the most members in all events combined.
- Three divisions: Corporate, Club, and Family/Friends.

BEST-LOOKING TEAM:

- Send a team photo to team@thenightrun.org, with a subject line "Best Looking Team" by noon on the Monday following the race (the 11th). The three most creative, fun, happiest-looking teams win!

REGISTRATION:

- Each individual member registers him/herself. Both the online and paper registration options ask about teams. There's no team fee.
- Team setup cutoff: May 7 at noon. Individuals can register and join an existing team through race night, but no new teams after 5/7.
- Captains, please email team@thenightrun.org with team name, roster, and whether you are club, company, or friends/family.
